

Djembe and Djun West African Drum Drumming Skills

Self Study with Frank Thompson

Learn the basic techniques of West African Djembe, Traditional and Ballet Style Djun and how they can be used in Music Therapy for maintaining pulse, beat, groove and group fun!

SKILLS YOU CAN IMMEDIATELY USE

Upon successful completion of the sessions, attendees will be able to define and use 3 full West African Rhythms. That means all Djembe, Djun and Ballet parts).

The three rhythms will include:

- Two 4/4 Rhythms
- One 6/8 Rhythm

Beginning Djembe and Djun for the Music Therapist is approved by the Certification Board for up to 18 Music Therapists Credits. Credits awarded by CBMT are accepted by the National Board for Certified Counselors (NBCC). The AZ Rhythm Connection, (Provider #P-098) maintains responsibility for program quality and adherence to CBMT policy and criteria.
